Occupational Health*

INJURED AT WORK? GOT COVID-19 WHILE WORKING? WE CAN HELP

The Mount Sinai Selikoff Centers for Occupational Health are recognized as leaders in the prevention, diagnosis, and treatment of workplace injuries and illnesses.

Services include:

- Confidential medical examinations
- Diagnoses and treatments for work-related conditions, including COVID-19
- Screenings for exposure to work-related hazards
- Disease prevention programs
- Social work and benefits counseling to address disease-related personal and family issues
- Assistance with workers' compensation and other benefits
- Industrial hygiene and ergonomics services
- World Trade Center Health Program services for 9/11 workers and volunteers
