- Join us as a **Mission: VetCheck** volunteer and support Veterans through check-in calls.
- Visit nyc.gov/vetcheck to learn how to volunteer through **NY Cares** or to request a check-in call for yourself or a Veteran you know.
- If you are experiencing an emotional crisis, please call 911 or go to your nearest emergency room for immediate assistance. You may also call the Veteran Crisis Line at 988, then Press 1

Mission: VetCheck is a partnership between **New York Cares** and **DVS** that leverages volunteers to make supportive check-in calls to veterans across the city. This vital outreach effort creates a crucial point of connection between veterans and their community through phone calls that provide resources and information about public services, including free meals, housing resources, employment information, and mental health services.
